" H O P E "

- C&S has grown at an astounding rate of 21% per year since 1992.
- Sales have ballooned from \$600 million in 1986 to \$13 billion in 2004
- Full time staff has increased from 1,000 in 1991 to 10,000 today.
- Since its founding as a single warehouse in Massachusetts, C&S has broadened to 36 facilities in 10 states.
- Storage space in 2003 is over 10 million square feet.
- In 2003, Forbes magazine ranked C&S the 8th largest privately held company in the U.S.

Headquarters

- The C&S corporate headquarters recently relocated to Keene, NH.

The hundreds of corporate C&S associates in Keene have the unique opportunity to enjoy the benefits of small town life while being part of a multi-billion dollar corporation.

- Plans are underway to construct a new headquarters building in Keene, New Hampshire. The new facility will be located on a 44 acre campus and will include an office building, cafeteria, fitness center, mechanical building, and a day care center.

Customers

C&S is an innovative, fast-paced company that:

- Offers wholesale food distribution to grocery chains and large independent food stores throughout the United States.
- Provides 53,000 food and nonfood items to 4,000 corporate customers, including produce, meat, dairy products, delicatessen products, fresh/frozen bakery items, health and beauty aids, candy and tobacco.
- Our customers include such food giants as: Pathmark, Safeway, Giant Food Stores, Shaw's, Stop and Shop, A&P Food Mart, Big Y Foods, BJ's Warehouse, Great American, SavMart/Foodmax, Demoulas and independent store/supermarket owner/operators.

► Time 'N Temperature Storefront

About Us

The Time 'N Temperature Corporation of Ventura, Ca. has been providing T 'N T in-transit strip chart recorders to shippers of perishable commodities for over 25 years. Our recorders are sold worldwide and used on many products including fresh produce, floral products, fresh and frozen meat, fish and poultry, plastics, resins, and pharmaceuticals to name a few.

T 'N T has always been an innovator in the in-transit recording business. And now we announce our newest product. **SmartChek** Digital Recorder. This recorder is available for in-transit use or can be purchased for on-site use on your premises.

As the industry moves to electronic monitoring it is only natural that the recorder with the most features comes from T 'N T ! Just look through our website- see the advantages available.

T 'N T products are distributed worldwide so contact us for agents in your area.

Also we are always interested in developing new markets and distributors inquiries are welcome.
